

Nazwij elementy przedstawione na obrazkach.
Połącz strażaka z rzeczami, których potrzebuje do pracy.

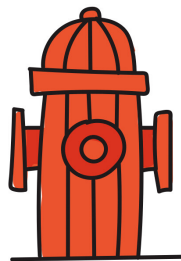

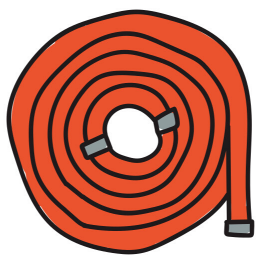

Policz elementy i zapisz ich liczbę.

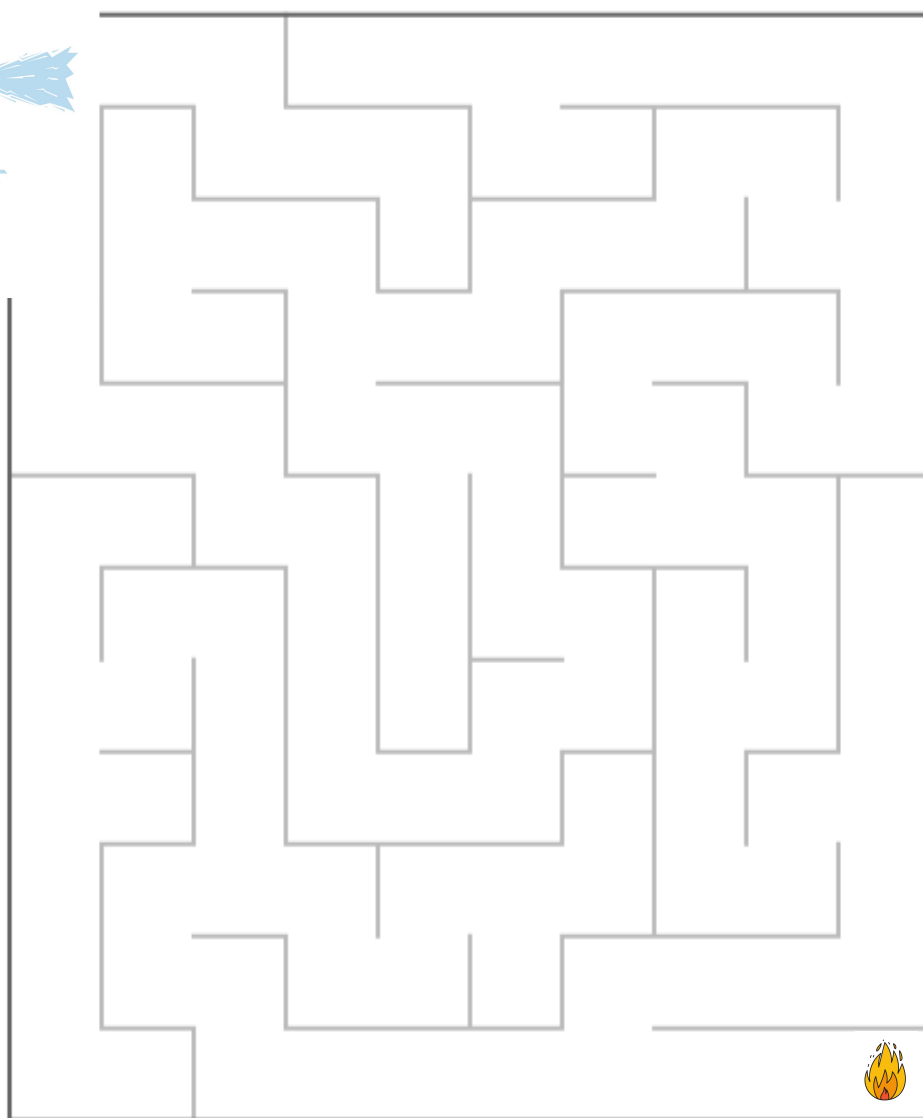

Wpisz pomiędzy liczby odpowiedni znak: <, >, =.

Nazwij elementy przedstawione na obrazkach. Podziel ich nazwy na głoski. Pod obrazkami narysuj tyle kropek, ile głosek mają podane wyrazy.

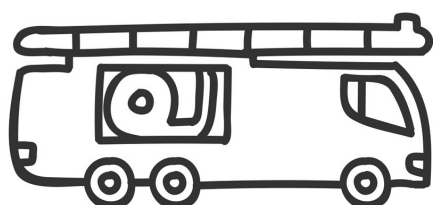

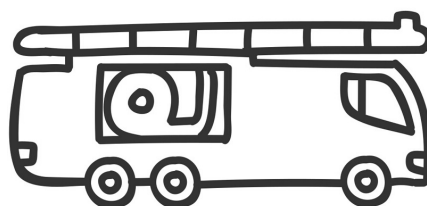

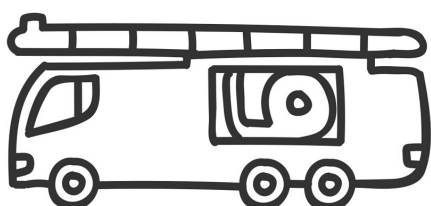

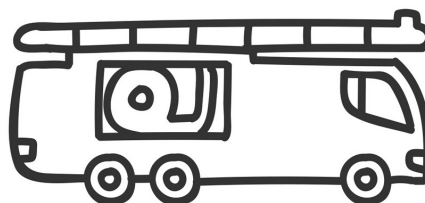

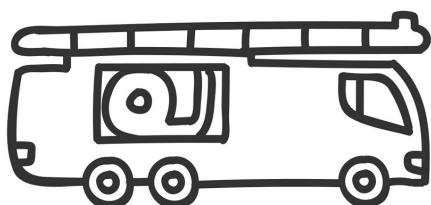

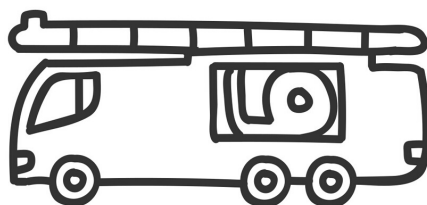

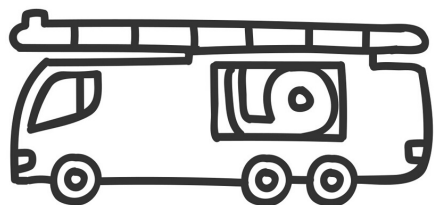

Pomóż strażakowi odnaleźć drogę do pożaru.

Pokoloruj obrazek strażaka palcem zamoczonym w farbie.

Pokoloruj na czerwono wozy, które jadą w prawo. Pokoloruj na pomarańczowo wozy, które jadą w lewo.

Rozetnij obrazek wzdłuż szarych linii. Ułóż obrazek i przyklej na kartkę.
